OTTOGI TO ALL OVER THE WORLD

OTTGI PURSUES MAKING BETTER QUALITY, MORE NUTRITIOUS AND MORE ADVANCED FOOD

SINCE 1969

Happy family, with **OTTOGI**

In the 21st century, Ottogi plans to expand its business fields, providing more advanced foodstuffs to contribute to the health of people, focusing mainly on the elderly, patients, and the obese.

Ever since its establishment in 1969, Ottogi Co.,Ltd. has prided itself as a food specialized enterprise contributing to improve dietary habits of Koreans by making "better quality, more nutritious, and more advanced food." With Ottogi Curry at the head of the foodstuff of Ottogi Co.,Ltd., the company has been continuosly developing and broadening its field of foodstuffs harmonizing high quality with convenience of food. The secret to Ottogi's outstanding products is its natural taste and rich nutriment, together with its overall process of careful selection in raw ingredients and shipment of finished products through thorough management. cutting edge facilities and sanitation. Credibility has been earned through our high quality products! Standing at the forefront of food industry in its taste and nutriment, Ottogi produces about five hundred foodstuffs including instant noodles, curry ketchup, mayonnaise, vinegar, oil and fat products, retort and canned fish including tuna, etc. Introducing such an unfamiliar variety of foodstuffs to the market during the last fifty years, Ottogi has been taking the initiative in improving the dietary habits of Koreans. In the 21st century, Ottogi plans to expand its business fields providing more advanced foodstuffs to contribute to the health of people, focusing mainly on the elderly, patients, and the obese. Ottogi promises that we will carry out for the customers, grow and develop as an extensive service industry.
